White Wines

Dry, Fruity, Elegant

These wines express a simple purity. From the brilliant lime-zesty Verdicchio and the crisp, to the more elegant Picpoul de Pinet and Riesling. These wines match any kind of seafood, but also have the personality to cut through dips and fried food.

Wine is one of the most civilised things in the world and one of the most natural things of the world that has been brought to the greatest perfection, and it offers a greater range of enjoyment and appreciation than, possibly any other purely sensory thing.

Ernest Hemingway
